## PROJECTS

**Trouvaille** - <https://khalidm53.github.io/Trouvaille/> | <https://github.com/KhalidM53/Trouvaille>

**2019-2020**

*Interactive web app that helps the user in discovering vacation destinations.*

- Worked on a team of three in creating an interactive web app that uses API and Javascript to create a travel advisor. Takes user input to identify points of interest, weather, and restaurants in a selected city.
- Tools used: HTML5, CSS3, JavaScript, jQuery, Open Weather API, Rapid Api, Google API.

**Note Taker** - <https://note-tak3r.herokuapp.com/> | <https://github.com/KhalidM53/Note-Taker>

**2019– 2020**

*Full-stack web app that helps users write and save notes.*

- Designed an app for users that need to keep track of a lot of information, it's easy to forget or be unable to recall something important. Being able to take persistent notes allows users to have written information available when needed.
- Tools used: Node.JS, Express, Heroku, HTML5, CSS, Bootstrap (v4.1), Javascript.

**Random Password Generator** - <https://github.com/KhalidM53/Random-Password-Generator->  
<https://khalidm53.github.io/Random-Password-Generator/>

**2019 – 2020**

*Interactive web app that creates secure passwords.*

- For companies that handle large amounts of sensitive data, weak passwords can pose a real security threat. An application that can generate strong passwords quickly and effortlessly saves employees time and ensures secure access to data.
  - Tools used: HTML5, CSS, JavaScript
- 

## EXPERIENCE

**EduWear**

**Cleveland, OH**

**Web Developer**

**2014 – 2019**

Performs multiple assignments with minimal guidance from the supervisor. Developed the brand's logo, website, social media, brochures, packaging and sales displays. Collaborated with sales, and product development department to develop marketing and promotional material.

**KEY ACHIEVEMENTS:**

- Created the presentation that landed EduWear contracts with Amazon, Walmart, and Cleveland Hopkins Airport.

**Signets****Mentor, OH****Architectural Signage Designer****2017 – 2018**

Developed creative concept drawings for signage for design/build projects. Created interior and exterior architectural signs for clients across a wide range of industries. Responsible for consulting with clients to determine the format and size of a final project.

---
